Garden Plan

Crop list

Garden Planting Plan:

Bed or Plot Number	Crop	Date In	Garden Steward (optional)	Expected Date Out	Actual Date Out / Yield
Eg. Bed 1	Garlic	Sept 20th	John Smith	July 30th	August 10th / 12kg

Garden Plan

A) Garden Leadership Structure:

These people should be responsible for care of hoses, shovels, ensuring their security and utility in the garden. In addition to general maintenance (general watering, weeding)

Name	Club or class	Phone Number	Email	Season (fall / spring / summer)

B) Garden Activity Schedule:

Date /Time	Teacher	Class	Age	# Students	Topic	Activity	Location	Season (fall / spring / summer)
September 20th / Pd 3	Eg. Ms. Smith	Gr. 10 Science	14	25	Biology	Early September Garlic planting	Row 1-2	Fall
September 10th to November 15th/ 4pm - 4:30	Mr. Thomopson	Gr. 12 Biology	18	19	Biology	Garden Stewardship *	Row 4	Fall

* indicates Garden stewardship responsibilities (watering, general weeding, organizing harvesting, etc) demanding attention every day or other day during that growing season.
